PART A - DISCOVER

Time to discover what you know about art forms

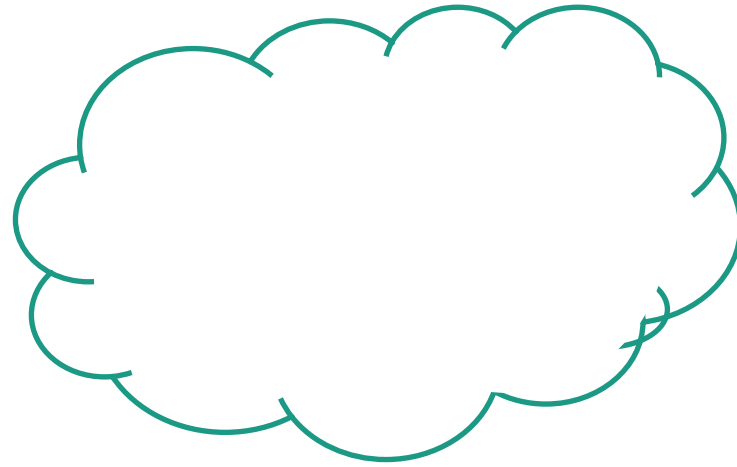

Put a circle around the art forms you have heard of already. You can ask an adult to help.

- Art Dance Photography
- Music Poetry Animation
- Craft Film Theatre
- Literature Architecture

2 MINUTE CHALLENGE

With a partner, explore your classroom and look for evidence of different types of art forms. Share your discoveries with the whole class.

What is your favourite artform?

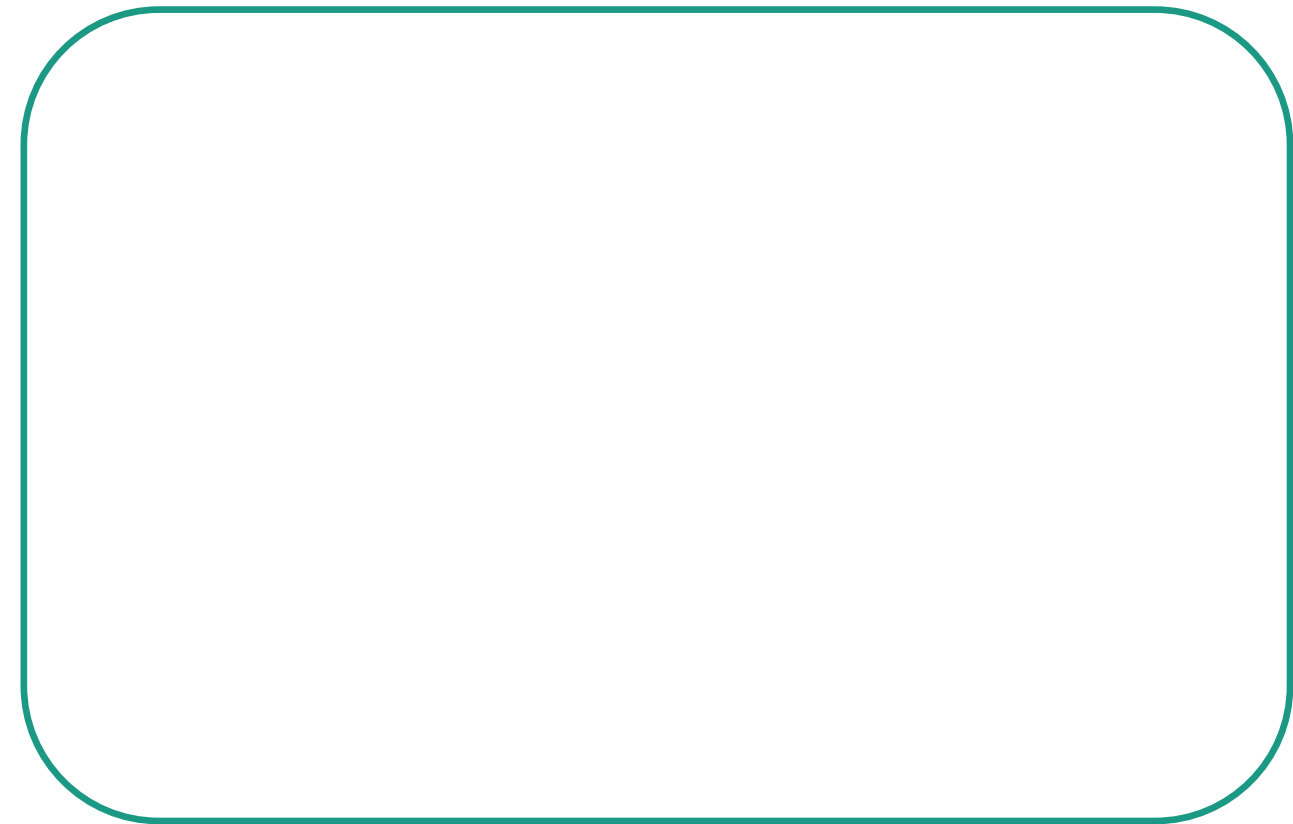

What do you think an artist is?

Put a circle around what materials you think an artist might use.

- Paint Clay Chalk Pens Videos
- Metal Paintbrushes Pencils Mud Leaves
- Fabric Wood Fruit ANYTHING

Think about place you have seen art before. Can you draw a picture of somewhere you might find art and label it.

PART B - FIND OUT

Research artists and discover even more

Today I have found out about the following artists:

My favourite artist is:

If I could meet this artist I would ask them:

Draw a picture of one of their artworks.

Here are three things I have found out about my favourite artist:

You can do more research about your favourite artist, and create art work inspired by them to submit with this booklet as an optional extra.

PART C - SHARE

Share your research, findings and any art you have created with others

Please include some evidence of how you have shared your project with others. This can be a photo, a link to a website, a printout of online blogs/social media, or even just a short piece of writing or a drawing to show us what you have done.

There are lots of ways you can share your Arts Award project with others. Tick the circles below to tell us how you have shared your work.

- A class presentation
- Assembly
- Wall display at school
